

## FIRST COAST DISASTER COUNCIL

### Agenda

May 23, 2024

1. Call to Order Courtney Connor
2. Review of Previous Meeting Minutes Council Members
3. **Presentation:** Wes Wood and Bart Abstein with Pulsara will present (virtually) on the patient tracking aspect of this program and what this means for our community with the upcoming Hurricane season.
4. Old Business: None.
5. New Business:
  - I. Finance Report: Dave Chapman
  - II. Website update
    - New website domain: [fcdisastercouncil.org](http://fcdisastercouncil.org).
    - Working with JFRD PIO for photos.
    - **Review 4 new proposed FCDC Logos for website and associated materials – submit your vote to me: [Courtney.Connor@bmcjax.com](mailto:Courtney.Connor@bmcjax.com)**
      - We do not have the original FCDC logo file, and as such, the quality of what we do have is not sufficient for our website developer to utilize in the manner required. Thus, we are transitioning to a new logo.

Logo Option 1

Logo Option 2

Logo Option 3

Logo Option 4

- Blog – recommended to increase our search results

8. Roundtable:

9. Adjournment-

## **FCDC MISSION:**

- Coordinate response of NE FL medical facilities to natural or man-made disasters
- Facilitate cooperation between hospitals, medical practitioners, medical service agencies, government agencies, and other organizations or individuals concerned with emergency medical services
- Review, develop and recommend programs that will ensure efficient utilization of community resources in a disaster
- Promote and facilitate educational and training programs for persons interested in emergency and disaster preparedness

Conduct mass casualty drills for hospitals and agencies needed to meet certification standards and maintain a high degree of preparedness within the medical community.
